For more than 94 years Mission Valley Hunt has provided the great sport of foxhunting to its members from Kansas and Missouri, and guests from around the globe. We welcome families and individuals to have fun in the countryside, enjoy the fishing ponds, nature trails and many activities throughout the year.

We have Social Memberships along with Full Riding Memberships for kids and adults with activities starting with our Fall season. **The MVH riding privileges begin with the fiscal year on October 1 and continue through the next calendar year September 30.** When you are ready to join, we'll help you and your family to feel at home. You'll receive our MVH emails to keep you up to date on our yearlong events.

Safety is always first at Mission Valley and we ask that all Full-Riding members can safely ride at a gallop. Each fall we have Hound Walking on horseback and the Invitational Hunt to include anyone who may have an interest in fox hunting. You are welcome to attend the Invitational Hunt without fee or expectation of joining. We want you get acquainted with this special sport that allows us to ride cross-country and connect with the land, our horses & hounds. Pony Clubs from around the area are also encouraged to learn about our sport. We have a safety waiver that is signed annually by each riding member, riding guest, and by riding minors and their parents.

Our hunt country includes picturesque rolling meadows, woods, farm and grazing land, and is paneled with inviting wooden coops. **Hilltoppers may ride to hounds without jumping by using gates throughout our hunt country.**
